

# Europe and Africa, major partners of the Port of Rouen

**Europe (13 Mt) and Africa (6.2Mt) account for approximately 88%  
Of all freight handled by the Port of Rouen.**

Rouen generates 56% of its port traffic with European countries – mainly the Member States of the European Union -32% with African countries, essentially the countries of North Africa and the West Coast of Africa, and to a very limited extent with countries on the East Coast of Africa. The figure for trade flows with Asia and America remained unchanged in 2009.

The Port of Rouen can list around one hundred countries among its customer eleven of which generated freight flows exceeding 500,000 tonnes.
